

CAPE COD SAIL AND POWER SQUADRON, INC.

America's Boating Club[®]-Cape Cod

A non-profit Unit of United States Power Squadrons[®]

presents the

Marine Electrical Systems Course

Starts Wednesday, September 28, 2011

Registration 6:30 PM

Meets Wednesday evening for 9 weeks from 7 to 9 PM

(no class November 23)

Barnstable Intermediate School

895 Falmouth Rd. (Rte. 28), Hyannis

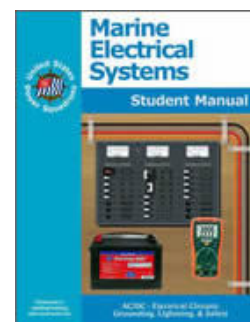

The course starts with an explanation of what electricity is, followed by discussions on boat electrical wiring, DC and AC electrical systems, galvanic and stray current corrosion, lightning protection, and ends with troubleshooting of boat electrical problems. This course can be used as a reference guide for anyone interested in properly maintaining their boat electrical system.

Learn how:

- to use a multi-meter
- to solder & crimp electrical connections
- to read electrical wiring diagrams

Course materials:

- **Illustrated Study guide / Workbook**
