

America's Boating Club®  
Cape Cod  
presents the

# Marine Engine Theory & Operation Course

**Starts Monday, March 5, 2012**

**Registration 6:30 PM**

**Meets Monday evening for 10 weeks from 7 to 9 PM**

**E. B. Norris & Son**

**138 Osterville/West Barnstable Rd. Osterville 02265**

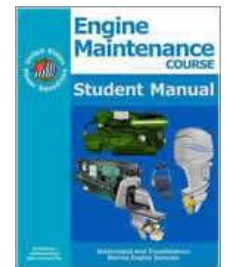

EM is not intended to produce trained mechanics, instead it makes you a more intelligent and resourceful boat engine operator. One of the objectives of the course is to help the student become more self-reliant afloat.

## Learn:

- general engine construction
- operating principles
- trouble diagnosis
- temporary remedies

## Course materials:

- Illustrated Study guide / Workbook

**To register, call today!**
